FROM	Chief [REDACTED] <i>CCF</i>		MICROFILM
SUBJECT General - Engineering/Supply Specific - Requisition 122-557-65/7-044			
ACTION REQUIRED - REFERENCES [REDACTED] 25X1A			
25X1A	<p>1. Attached is subject requisition for air conditioning equipment to be installed [REDACTED]. This equipment was originally programmed for [REDACTED] in FY 64, later cancelled and then re-programmed in the FY 65 Facilities Review. <i>File</i></p>		
25X1A	<p>2. The present [REDACTED] air conditioning system which cools the entire installation including the classified section is in need of an early overhaul. Equipment listed attached will insure adequate cooling of the classified area while the central system is being overhauled. Later it will serve to augment the central system and provide back up cooling for the critical classified area. <i>25X1A</i></p>		
25X1A	<p>3. In view of the foregoing, it is requested that procurement and shipment direct to [REDACTED] of material listed subject requisition be expedited. <i>25X1A</i></p> <p><i>File</i></p>
